

CAMPER PACKET 2018

INFORMATIONAL GUIDE FOR THOSE THAT WERE SELECTED IN THE LOTTERY OR REMOVED FROM THE WAITING LIST

Important: Please read this entire packet prior to completing any forms.

This informational packet provides important details for a successful camp experience. Please read through this packet in its entirety in advance to prepare you and your camper, as well as those that will be supporting him or her. You may want to print a copy for quick reference or bookmark it on this [WEBPAGE](#).

July 19-22, 2018	April 4, 2018 (4.4)	May 5, 2018 (5.5)	
October 27-28, 2018	September 27, 2018	October 10, 2018	

Camper Application

The Camper Application is now an online form. Please submit this no later than the date shown above.

Although it may not take as long, be sure you have roughly twenty to thirty minutes reserved to complete the online Camper Application. We realize that is a good chunk of time and truly value your time, yet also believe that details are essential to the success of camp. Thus, we thank you abundantly for taking the time to provide the detailed information.

To prepare you, in addition to gathering general contact information, the application will also ask for information about your camper's abilities, preferences, behaviors, suggested strategies to support positive behaviors, contact information for emergency contacts and service providers, and more.

Should you be selected to attend more than one session in 2018, you will not need to submit another application. However, someone may be in touch with you to make sure that all information is current.

Please keep in mind that your child's application will not be considered complete and will not begin the review / acceptance process until THE FOLLOWING ITEMS ARE SUBMITTED TO CAMP ENCOURAGE:

- a copy of your child's IEP or 504 Plan (this is REQUIRED only if a child has behaviors that are addressed at school and/or if he or she has specific social related goals outlined on the IEP) and
- a signed Tall Oaks "Participant Assumption of Risk and Release of Liability" Form (mentioned in detail below).

The above items (the IEP or 504 Plan and the Tall Oaks Form) can be mailed (Camp Encourage, 4025 Central Street, Kansas City, MO, 64111), faxed (816.301.6228), or emailed (info@campencourage.org). Once we have received all forms, the review and acceptance process will begin.

Tall Oaks "Participant Assumption of Risk and Release of Liability" Form

To participate in activities directed by facilitators of Tall Oaks, it is essential that participants and parents read and **sign** the following items on the first page:

1. the starred section in the middle of the page (one for the challenge course, horses, and "other activities"),
2. the bottom of the release of liability (parent), AND
3. the bottom where indicated (the camper must sign)

Note: if you opt out of any activities on the form, *please be sure that you have informed your camper of this* (so that it does not come as a discouraging response when discovering he or she cannot participate).

You'll see that page two is simply a description of the activities for your information (and does NOT need to be returned to us). The third and final page is a *Participant Health Assessment* to help the Tall Oaks facilitate create the best program for your camper.

Please return pages 1 and 3 to Camp Encourage, NOT to Tall Oaks no later than the dates shown above to complete your camper's application process. It can be mailed (Camp Encourage, 4025 Central Street, Kansas City, MO, 64111), faxed (816.301.6228), or emailed (info@campencourage.org). Once we have received all forms, the review and acceptance process will begin.

Acceptance Into Camp

As stated when you were informed of the lottery results (or that a slot was available), please keep in mind your child's attendance at Camp Encourage is still in a "potential" stage as we gather additional information about each camper to make sure that Camp Encourage is a fitting program and service for each. With this in mind, please be mindful of talking with your camper about acceptance until all above stated documentation is submitted and our staff has the chance to read through everything to confirm acceptance. Although it isn't very common for us to decide Camp Encourage isn't fitting for a camper, it might be best for most campers if parents **WAIT ON SHARING ACCEPTANCE until the acceptance process is complete and you receive official notification by email** (to ensure disappointment doesn't occur).

Directions

Camp Encourage takes place at **Tall Oaks Conference Center** (12778 189th St., Linwood, KS 913.301.3004). Because fancy directional devices don't always lead travelers accurately, the below directions are provided just in case.

After a sharp right curve in the road, the entrance to Tall Oaks is on the right.

Tour the Campgrounds

For those attending the **summer camp sessions** (in June and July), a tour of the campgrounds will be available to assist in preparing for the four-day stay.

Join us on **Saturday, April 28th at 1:00pm** at Tall Oaks Conference Center for a tour of the campgrounds! Meet other campers that will be attending camp, greet the leadership, ask questions, and tour the campgrounds. No food will be provided so be sure to come following lunch.

This is an EXCELLENT opportunity for first-time campers to peek at his or her cabin, get a glimpse into where the magic will take

place, receive answers to questions, and decrease worries and uncertainties about the new experience. If you are interested in attending this, please indicate so when submitting your Camper Application. You can also let Kelly Lee know [by emailing her \(klee@campencourage.org\)](mailto:klee@campencourage.org) or calling 816.830.7171.

Note: for those attending a **weekend camp session** (in March or October), we hope to have a virtual tour available in the future. This is in the works but not ready for 2018.

Arrival

Our staff will be ready for check-in at the below listed times on the first day of your child's camp session and we will be eagerly anticipating each camper's arrival! Because of the importance of every preparation detail prior to arrival, we want to stress that **should you arrive before the designated arrival time, there will be a parking lot where families will need to wait** (in your car ☺) until cabins and counselors are 100% ready (at the time listed below). To decrease your wait time, please simply try to arrive at the listed time or shortly thereafter. Once entering Tall Oaks, you will be greeted while in your car then will be directed to your camper's cabin. There (in the air-conditioning), you will check in with your camper's counselors and medical staff directly. Following check-in, you can remain in your camper's cabin for a short bit and assist your child in getting settled (if desired) then can attend an informational Q&A meeting for parents in another (lovely air-conditioned) setting which you'll be directed to upon arrival and check-in.

Camp Session	Arrival Time	
March 17-18, 2018	March 17 th at 9:30am	<i>A Note about arrival: we don't throw a huge "party" with hundreds of people, singing, balloons, or huge signs upon camper arrival. Because we try to do all we can to make it a calm, peaceful, worry-free transition (as some are experiencing this for the first time), our greetings are calm and far from party-like. As the campers get comfortable through the week, our excitement will follow (as fitting for each camper's preferences and comfort level). ☺</i>
June 20-23, 2018	June 20 th at 1:00pm	
July 19-22, 2018	July 19 th at 1:00pm	
October 27-28, 2018	October 27 th at 9:30am	

Parent Meeting

As stated above, just after you check-in, meet the counselors, and assist your child in getting settled (if desired), an optional, informational Q&A meeting for parents will be available. This will allow you to meet our lead staff (Executive Director, Behavior Specialist, and board member/s), ask ANY questions you might have, meet other parents, and be reassured that your child will be safe and well loved during his or her stay. ☺

Health and Safety

Camp Encourage is honored that you are allowing us to share this experience with your child. We want to assure you that safety is our top priority. We have caring, qualified medical personnel kindly volunteering their time to tend to the needs of your child while away from home. Our full time medical staff will be present 24 hours a day at Camp Encourage and each individual's sole focus is the health of our campers. In addition to administering daily medications, they will provide health care assistance for any camper or staff member needing it. Although we hope your child will not need to visit the Medical Station, we are committed to our communication with you as a parent in the event that medical attention is needed that would affect your child's camp experience.

A nurse will contact a parent or family member in the event of the following situations:

- An overnight stay in the Medical Station
- If a child needs to see a physician beyond basic first aid
- If a seizure occurs
- If a child is unable to participate in any activity due to an injury or illness
- Any medical situation staff feels requires timely parental notification

Medical Form: Bring upon arrival to camp

A medical form will be available prior to camp and will be available on our website. Read the directions THOROUGHLY and complete each step. (For those that are returning, you'll see slight changes to the form.)

For those campers taking medications: The medical form needs to be completed *prior to arriving at Tall Oaks* to expedite the arrival process. Because we understand that medications change, please bring the completed form upon arrival to camp (AND NOT BEFORE). Medications will be checked in with our medical personnel upon your arrival. Please do not pack medications in your camper's luggage.

For those campers that do not take medications: Please send the form our way PRIOR to camp. It can be sent by: postal mail (4025 Central St., KCMO 64111), email (info@campencourage.org), or fax (816.301.6228).

Departure

Families will arrive on the last day at the times listed below for each session. Upon arrival, you'll be directed to the appropriate parking lot. At that time, the campers will be finishing a group meeting and will join parents with their assigned group. You'll be able to communicate with your camper's counselors and cabin mates briefly before being directed to the location of a slide show of the numerous pictures taken during the camp session (or closing activities). You are welcome to bring siblings (as long as they are not furry and four-legged due to possible allergies and fears). ☺ If you are running late, please contact us so we can reassure your camper that you are on your way.

For your planning purposes, please note that we anticipate the slideshow or closing activities to end roughly an hour after you arrive (taking into account talking and transitioning time).

Helpful Guidelines for the Camp Encourage "Family"

While at Camp Encourage, all volunteers, staff members, and campers should keep the following helpful guidelines and tips of kindness and respect in mind. It is expected that each follow these to the best to his or her ability. **Please review these with your camper before coming to camp.**

- Each person has **personal space** that must be respected. Please be mindful of that and only touch another individual with his or her permission.
- Each person has **personal property** that must be respected. Please be mindful of that and only touch another's belongings with his or her permission.
- Only enter activity areas at camp during specified times (on one's schedule) when the Tall Oaks staff is available to supervise each. This includes the stables (anywhere near the horses really), the pool, the wooded areas and paths, the high and low ropes course, and the pond / fishing area.
- Cell phones, video games, CD players, and video cameras should only be used in a very limited fashion. Please see the below section titled "Handheld Game Systems and Electronic Devices" for further information.
- Camp Encourage is a place to welcome each individual—despite hardships and/or differences. It is a place to feel good about oneself and celebrate strengths, abilities, and talents. It will be crucial that each camper and volunteer do their very, *very* best to make sure those around him or her feel that way. Please join our Camp Encourage "family" in ensuring this loving atmosphere by demonstrating these key skills:
 - GRACE
 - RESPECT
 - SAFETY
 - KINDNESS
 - ACCEPTANCE

BEHAVIOR

In line with our above guidelines, our staff and volunteers vow to maintain acceptance, grace, respect, safety and kindness at all times. We understand that every camper is an INDIVIDUAL with unique needs. We also understand that camp can be out of a camper's comfort zone—surrounded by newness, change, and challenges.

Any insight you have about your son our daughter will help us best serve him or her while in our care so we immensely appreciate you completed the Camper Application with great thought and care. In addition to getting information from you, we want to share with you what we'll also put in place at Camp Encourage.

First when all campers arrive, we will set up expectations—with positive, encouraging messages, yet clear guidelines. Your camper will be a part of sharing ideas and developing these guidelines. We ask that each camper adhere to the guidelines to ensure that everyone feels safe, feels respected, and feels comfortable to be himself or herself without judgment.

Our team will be embedding best practices of positive behavior management strategies when disruptive behavior occurs. While we hope that such behavior not occur, we know that many factors play a role in causing such to surface. Should a camper present behaviors that impact the safety of him/herself and/or the safety of others (or threaten to do so), we will respond respectfully, remain calm, be clear and concise, listen to and respect the camper's perspective, allow time to calm, take care of all other campers, establish clear boundaries, be consistent, use positive language to share replacement (preferred) behaviors, and redirect your camper's behavior.

It is our intention to work together to allow a successful, positive experience for all. However, if a child continues to demonstrate behaviors that are difficult to manage with our staff:camper ratio (taking attention and support away from other campers and despite efforts to accommodate the camper), he or she may be asked to leave.

Finally, in preparation for camp, please remind your camper of the above "Helpful Guidelines for the Camp Encourage 'Family.'"

Homesickness

It isn't unusual for a camper to become homesick. Our staff and volunteers will do all they can to make your camper feel comfortable (and often the other campers and peer models are wonderful sources of encouragement as well). Parents / Guardians will be contacted if the situation warrants it but most of the time it is not helpful to have the campers talk to his or her parent / guardian. We typically call parents first to help in making that decision.

Prior to camp, you can help by:

- talking with your child about possible worries he or she may have about camp,
 - sharing similar experiences,
 - arranging for the child to spend a night away from home with friends or a relative behavior coming to camp,
 - telling the camper that if he or she feels homesick, to share those feelings with a counselor, and
 - not telling your child that he or she will be picked up he feeling homesick.
-

What to Bring

Below are suggested items to pack. We encourage you to involve your camper in packing to further assist in the comfort of camp and so that he or she knows where items are located during his or her stay.

Bedding

- Twin sheets and a blanket OR a sleeping bag
- Pillow

Toiletries

- Shampoo and conditioner*
 - Toothbrush in holder
 - Toothpaste
 - Soap*
 - Deodorant
 - Brush and comb
- *non-fragranced soaps, shampoos, conditioners, and lotions are best and are less likely to attract insects.*

Clothing

- Casual outdoor wear for entire stay (weather appropriate)
- Socks (at least four pairs)
- Shoes (tennis shoes)
- At least one pair of closed toed for horseback riding
- Swimming suit (summer only; modesty is

Other

- Communication devices / systems, if applicable (iPad, PECs, etc.)—if your child typically uses a device to communicate, we strongly encourage you to send his or her method of communication. Please let us know if you do not plan to as this will impact your child's ability to communicate at camp.
 - Helpful visual supports, if applicable (for routines, to promote positive behavior, etc.)
 - Flashlight
 - Two to three towels (for showering and for use at pool)
 - Sunglasses (as needed)
 - Sunscreen (as needed)
 - Bug spray
 - Hat (to guard off ticks)
 - Disposable camera with name on it (optional)
 - Stationary and stamps to send letters home (optional)
 - A favorite DVD (although the movie may or may NOT be able to be viewed)—**must be G or PG.**
 - Relaxation choice item/s: There will be a designated time during the day for quiet activities in the cabin.
-

encouraged which includes a one piece suit or a tankini for females please)

- Pair of jeans (or long pants for horseback riding)
- Pajamas
- Undergarments
- Rain jacket or poncho
- Jacket or sweatshirt

Special Dietary Needs

- Please see the next section regarding items to bring for those campers that have unique dietary needs.

PLEASE read the policy regarding phones and electronic devices.

This time will be provided for campers to engage in an activity that is calming. Although materials may differ according to each individual, some suggestions may include: a book, Sudoku puzzles, crossword puzzles, a small electronic game or music with headphones. The key to choosing the item/s is that it/they should be QUIET and CALMING.

You should probably NOT send

- Sweets
- Sodas and unhealthy snacks or drinks without talking to us prior to arrival
- Expensive items that could become lost or damaged (cameras, jewelry, etc.)

Special Dietary Needs / Preferred Foods

The kitchen staff plans a diverse menu (which includes a salad bar and many fresh fruits and vegetables for every lunch and dinner) and although they are able to make some accommodations during mealtimes (i.e. they always have a vegetarian option), they cannot meet specific dietary needs. We have considered providing a GFCF option however due to the diverse needs, routines and often strong preferences of our campers, providing one option that is gluten and casein free is difficult.

If your camper has special dietary needs (or has strong preferences or routines), feel free to prepare preferred food in advance and send it with your camper. All meals and snacks must be packaged and clearly labeled with day, meal, and name and should be microwavable. Meals can be dropped off upon arrival. Please direct any questions regarding this issue to Camp Encourage staff rather than contacting Tall Oaks directly.

Handheld Game Systems, Phones and Electronic Devices: **DISCONNECT TO CONNECT!** ☺

Because we are planning to encourage and provide numerous opportunities for social opportunities, we recently revised our policy to reduce the use of those items that may decrease the likelihood of those valuable opportunities. We also understand, however, that some campers will *truly* need items of great interest (and comfort). If not having an electronic device or phone with him or her may potentially trigger behavior concerns or cause a negative experience, please feel free to send it as we plan to embed motivating items, activities and reinforcement throughout the week as appropriate.

WE WELCOME THEM TO BE SENT WITH THESE GUIDELINES:

- Phones and devices will not be allowed outside the cabin (and there will be a designated space for them to be kept).
- Camper cell phones are only to be used during rest time and at bedtime. Should an emergency arise, campers will be allowed to use another phone with permission from the camp staff. Campers should be made aware that a counselor is required to keep a phone near him or her at all times for communication purposes between staff. Besides that, all other rules will apply to the staff as well.
- Devices will only be able to be used at certain times during the day (i.e. during rest and relaxation time if it assists the camper in calming or allows a needed "escape").
- If a device is needed for communication purposes, exceptions will of course be made and the device can be kept with him or her at all times to bridge communication and socialization. However, it will only be able to be used to communicate, not to play games and not to watch videos.
- If listening to music is calming for a camper and allows him or her to feel comfortable in overstimulating environments, an iPod or something similar will be allowed **HOWEVER**, the camper will be encouraged to be "hands free" with the device (not accessing games but simply listening to a playlist). If you know in advance this is needed, please create a playlist that can be played and will not require song changes and frequent touching of the device).
- Games will need to be of appropriate content (**must be** eC, E, or E, 10+ only), and must be clearly labeled (chargers included). If you have any further questions or need clarification regarding this, be sure to let us know.
- Camp Encourage is not responsible for lost / stolen phones or electronic devices.

RATING CATEGORIES

Again, PLEASE be sure to communicate the limited usage with your camper prior to camp.

Menu

A **menu** from Tall Oaks will be available prior to camp. As soon as we receive it from our campgrounds, we'll send it your way. A menu will be posted in each cabin in a list format as well as a visual picture format.

Please discuss with your camper that meals will be served buffet style. Campers will be encouraged to take one portion the initial time through the line yet will be welcome to return further times once all other campers are served.

It is strongly encouraged that **parents of campers with unique eating habits, sensory issues, special diets, etc. print out the menu and write helpful notes upon it** for the counselors and Tall Oaks kitchen staff. Notes might include information for the counselor/s regarding foods a camper may dislike / need a replacement for or may be a list of those foods the camper may have or should not consume according to the camper's unique dietary needs. Then, please send the helpful information to us **PRIOR** to camp. It can be mailed to 4025 Central Street, Kansas City, MO 64111 or emailed to info@campencourage.org.

Regarding special diets, as noted above and also on the "What to Bring" list: *The kitchen staff at Tall Oaks is able to make some accommodations during mealtimes; however they cannot meet specific dietary needs for campers. If your child has special dietary needs, you may prepare food in advance and send it with your child. All meals and snacks must be packaged and clearly labeled with day, meal, and camper name. They must also be microwavable.* Meals can be dropped off upon your arrival and will be taken to the dining hall kitchen by our volunteers. Please know that we are happy to accommodate for each camper's needs. Let us know if any questions arise.

Schedule and Preparation Story

A **schedule** (for your camper's assigned group) and detailed **preparation story** will be available just prior to camp once the schedule is ironed out in detail. The schedule will be the same written schedule placed on each camper's nametag. Should a camper need photo or picture representation of each activity, a visual picture schedule will also be available upon his or her arrival. *It would be helpful to let us know this in advance.*

The **preparation story** will include pictures of Camp Encourage and further details to assist in knowing what to expect. Please be sure to view and discuss the schedule and preparation story thoroughly with your camper in advance. After doing so, please feel free to contact Camp Encourage with questions. Ensuring that campers have as much information as feasible is of utmost importance and we are more than happy to answer as many questions as needed to clarify uncertainties, relieve worries, and increase excitement about camp.

Please keep this information in mind:

- If your camper is interested in participating in activities such as **Yu-Gi-Oh, Magic the Gathering, or Pokeman**, (*should those activities be provided*) please be sure to have him or her bring cards.
- As stated above, if you have opted out of any activities on the Tall Oaks form, please be sure that you have informed your camper of this (so that it does not come as a discouraging response when discovering he or she cannot participate).

Please also share with your camper that, at all times, there will be a space for campers to participate in other preferred activities (or to simply unwind). Although we will encourage participation and encourage campers to attempt something new, we will not force a camper to participate in an activity that will cause anxiety or frustration. Thus, to meet the needs of campers in such situations we will have the following items available: a variety of sensory materials (tubs of beans, rice, etc. as well as a variety of other materials to assist with calming or alerting one's self), games, books, and a ping-pong table. It is our hope that this will further assist us in meeting each individual's needs. We're pretty accommodating and truly want to ensure that each camper feels comfortable and experiences joy. 😊

Mail

Campers enjoy getting mail at camp and we don't want anyone to get left out. Here is the information you need to know to receive mail at camp:

All letters should be sent to:
Tall Oaks Conference Center
Camp Encourage: CAMPER NAME
12778 189th Street
Linwood, Kansas 66052

All emails can be sent to:
info@campencourage.org
(*Put first and last name of camper in subject line*)

Due to the limited amount of time during weekend sessions, **please consider emailing** rather than sending mail. If postal mail is preferred during any camp session, please mail it far enough in advance so that it arrives before the close of camp. Mail will be distributed once each day at camp. Any mail we receive after your term will be returned to the sender. Please do not send a package with food or candy. Due to the cost of ink, emails will only be printed that do not include photos and images. Email and mail are subject to be read by Camp Encourage staff.

Celebrating Birthdays

Should a camper have a birthday while at Camp Encourage, we will be geared up and ready to celebrate! There will be light snacks, singing, and a card. Because there often are more than one birthday during a camp session, we ask that **no additional items be brought** in (i.e. a cake, balloons, etc.) so that we ensure that all celebrations are the same, so that no one feels it unfair, and so that we are monitoring sugar intake and allergies.

Camp Visits

Because we closely monitor campground visitors for safety reasons, we ask that you please not make surprise visits to the campgrounds. If you feel you need to visit, please obtain approval before by contacting Kelly Lee at 816.729.7873 or by emailing info@campencourage.org. Please also just keep in mind that being away at camp increases one's independence, which is an important component of Camp Encourage. If you would like to be a part of the magic, we welcome volunteers. An application can be found on our website.

Important Phone Numbers

During the week of camp, please feel free to call for any reason, if even to simply check in to see how your camper is doing. We are more than happy to provide support during the week, answer questions that you may have, or provide you with an update on your camper at that moment. While at camp, we can be reached as follows:

816.729.7873 (Kelly Lee, Executive Director, cellular)

913.301.3004 (Tall Oaks, within metro area)

800.617.1484 (Tall Oaks, outside metro area)
