## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Camp Encourage

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Camp Encourage (the Organization), which comprise the statement of financial position as of December 31, 2015 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Camp Encourage as of December 31, 2015 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **CAMP ENCOURAGE**

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2015**

### **NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES**

Camp Encourage (the Organization) is a 501(c)(3) not-for-profit organization formed to encourage social growth, independence, and self-esteem in youth with autism spectrum disorders (ASD) through a quality, overnight camp experience located in the greater Kansas City area.

The Organization provides two, four-day, three-night camp opportunities, which offer a quality experience involving relationship development, recreation, and relaxation to over one hundred campers annually. In upholding the Organization's value that quality supports and services should be available to all, regardless of financial need, \$55,700 of need based camp scholarships were provided to campers in the year ended December 31, 2015. Key components that make Camp Encourage unique include, but are not limited to:

- Direct social instruction
- Sensory supports
- Visual strategies
- Positive behavioral supports
- Involvement of graduate and doctoral students
- Peer models
- Zip line
- Traditional camp activities such as horseback riding, archery, fishing, swimming, hayride, art activities, and singing by the campfire; and
- Activities tailored around the individual campers' interests and skills

Camp Encourage provides an accepting atmosphere and is staffed with well trained counselors, activity facilitators, medical personnel, and behavior specialists.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Organization changed its method of accounting from the cash basis to the accrual basis as of January 1, 2015. No adjustments were required to net assets as of December 31, 2014 to conform with the accounting principles used for the year ended December 31, 2015.

#### Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**CAMP ENCOURAGE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2015**

Cash and Cash Equivalents

For the purpose of the Statement of Cash Flows, cash deposits, and all other liquid investments with an original maturity of three months or less are considered to be cash and cash equivalents. There were no cash equivalents held at December 31, 2015.

Promises to Give

Unconditional promises to give are recorded as revenues or gains in the period received and as assets, decrease of liabilities, or expenses depending on the form of the benefits received. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Conditional promises to give are recognized when the conditions on which they depend are substantially met. There were no conditional promises to give at December 31, 2015.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under ASC Topic 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted

Unrestricted net assets are not subject to donor imposed restrictions, or the donor-imposed restrictions have expired.

Temporarily Restricted

Temporarily restricted net assets include contributions for which donor-imposed time or purpose restrictions have not been met and the ultimate purpose of the contribution is not permanently restricted.

Permanently Restricted

Permanently restricted net assets include donor-imposed restrictions that stipulate the resources be maintained permanently, but permit the Organization to use, or expend part or all of the income derived from the donated assets for either specified or unspecified purposes. There are no permanently restricted net assets at December 31, 2015.

Donated Assets

Donated assets, if any, and other noncash donations are recorded as contributions at their estimated fair values at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used for specific purpose are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

**CAMP ENCOURAGE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2015**

Contributions

The Organization follows ASC Topic 958 for the accounting of contributions received and made during the financial statement period. In accordance with ASC Topic 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor imposed restrictions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Contributed Services

Contributed services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills which are performed by individuals possessing those skills, and (c) would otherwise be purchased by the Organization if not donated.

In 2015, more than 40 unpaid volunteers with specialized skills contributed approximately 2,000 hours of professional services that met the criteria for recognition in the financial statements. Professional volunteers providing services at camp included pharmacists, nurses, speech pathologists, occupational therapy assistants, teachers, school counselors, and photographers. The value of these services is included in the Statement of Activities and Changes in Net Assets as In-kind Contributions – Camp Staff and In-kind Expenses – Camp Staff for \$60,000 for the year ended December 31, 2015.

Equipment

Equipment is carried at cost or, if donated, at the approximate fair value at the date of donation. Major additions over \$1,000 are capitalized, and maintenance and repairs that do not improve or extend the life of the respective assets are charged against net assets in the current period. Depreciation is computed using the straight-line method over the useful lives of the assets, ranging from 3 to 5 years.

Functional Allocation of Expenses

The costs of providing the programs and other activities have been summarized on a functional basis in the Statement of Activities and Changes in Net Assets and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization has been designated as a tax-exempt organization pursuant to Internal Revenue Code (IRC) Section 501(c)(3). Further, the Organization has been determined not to be private foundations per IRC Section 509(a). Accordingly, no provision for income tax expense has been made.

**CAMP ENCOURAGE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2015**

Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through September 19, 2016, the date the financial statements were available to be issued and there were no material events requiring recognition or disclosure.

**NOTE 3 – CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS**

In 2015, the Organization received a significant amount of its funding from fees for services. Changes in economic conditions may have a significant effect on these revenues.

**NOTE 4: OPERATING LEASE**

The Organization rents office space under a lease agreement expiring in November 2017. The gross lease payments due in each of the next two years are as follows:

<b>Period Ending</b>	<b>Amount</b>
December 31, 2016	\$ 14,535
2017	<u>13,475</u>
	<u>\$ 28,010</u>

The Organization sub-leases a portion of its office space under a non-cancellable agreement to a for-profit entity. The Organization's total rental income for the sublease for the year ended December 31, 2015 was \$7,178. Under the sublease agreement, the sub-lessee has agreed to pay the Organization one-half of the gross lease amount on a monthly basis.

**NOTE 5 – RESTRICTED NET ASSETS**

As of December 31, 2015, temporarily restricted net assets were available for the following restricted purposes:

	<u>2015</u>
Camp Scholarships	\$ 15,075
Camp Activities	3,786
	<u>\$ 18,861</u>

During the year ended December 31, 2015, net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes specified by the donors as follows:

	<u>2015</u>
Camp Scholarships	\$ 44,194
	<u>\$ 44,194</u>
